This publication lists quarterly payments scheduled, as of December 30, 1980, to be made on January 8, 1981, to local governments eligible for general revenue sharing funds. The column titled ALL PAYMENTS TO DATE includes all payments made prior to December 30, 1980, and the quarterly payments listed in this publication. The names of government units are listed by State and within each State by county. Also included are several appendices which list the total number of governments paid and the corresponding disbursements by State.

The amounts reported here are payments scheduled for the first quarter (October 1, 1980 - December 31, 1980) of Entitlement Period 12 which began October 1, 1980, and ends September 30, 1981. Period 12 is the first period in the general revenue sharing program authorized by the 1980 Amendments to the State and Local Fiscal Assistance Act of 1972. These Amendments (P.L. 96-604) extended general revenue sharing from October 1, 1980 through September 30, 1983, at approximately the same level of funding for local governments as had been available under the 1976 Amendments to the original Act (P.L. 92-512). Payments to State governments are not authorized during Entitlement Period 12 but may be authorized in Periods 13 and 14 under certain conditions.

The Office of Revenue Sharing is anxious to provide all available information about the General Revenue Sharing Program to any interested party. If we may be of assistance to you, please let us know.

REVENUE SHARING ALLOCATIONS

Title I of the State and Local Fiscal Assistance Act of 1972 (General Revenue Sharing Act) as amended by Public Law 94-488 in 1976, provided for the distribution of approximately $55 billion to more than 39,000 units of State and local government, over a period of eight years and nine months. The Amendments of 1980 (P.L. 96-604) to the State and Local Fiscal Assistance Act provide for the distribution of approximately $13.8 billion to units of local government over a three year period beginning October 1980. Payments to State governments are not authorized during Period 12, but may be authorized in Periods 13 and 14 under certain conditions. The amounts to be distributed to each unit of government are determined by applying a set of formulas to descriptive data pertaining to each unit. The formula and data are used to determine each government's share of the total amount. Because of the relative nature of the allocation process, it is possible that in some cases a change in a single data element could change a large number of governments' shares by varying amounts.

The payments to eligible units of government are made quarterly, based upon each unit's allocation for an entitlement period. The entitlement periods and the general amounts appropriated are as follows:

Entitlement Period	Start	End	Duration	Amount
1-7	Jan. 72	Dec. 76	5 years	$30,212,500,000
8	Jan. 77	Sept 77	9 Months	$4,987,500,000*
9	Oct. 77	Sept 78	1 Year	$6,850,000,000*
10	Oct. 78	Sept 79	1 Year	$6,850,000,000*
11	Oct. 79	Sept 80	1 Year	$6,850,000,000*
12	Oct. 80	Sept 81	1 Year	$4,566,700,000**

Under the State and Local Fiscal Assistance Act of 1972 as amended by Public Law 94-488 of 1976, additional funds were appropriated during entitlement periods one through eleven for noncontiguous States. These funds were distributed to the extent required by the legislation with any unused funds being returned from the Trust Fund to the General Fund of the Treasury. The Amendments of 1980 to the State and Local Fiscal Assistance Act of 1972 deleted these additional funds for the noncontiguous States.

* Beginning with Entitlement Period Eight, the amounts to be distributed were equal to $6.65 billion for the general appropriation and $4.78 million for the noncontiguous States adjustment amount multiplied by a fraction, the numerator of which is the amount of Federal individual income taxes collected in the last calendar year ending more than one year before the end of the entitlement period, and the denominator of which is the amount of Federal individual income taxes collected in the calendar year 1975. The resulting general appropriation was not to exceed

$6.85 billion and the noncontiguous States adjustment appropriation was not to exceed $4,923,759, on an annualized basis. The fraction for Entitlement Period Eight was 1.0 yielding the general amount of $6.65 billion and the noncontiguous States adjustment of $4.78 million on an annualized basis or $4,987,500,000 and $3,585 million respectively, for the nine month term of Entitlement Period Eight.

For the ninth, tenth and eleventh periods, 1976, 1977 and 1978, Federal individual income taxes divided by 1975 income taxes produced fractions of 1.17, 1.33 and 1.55 respectively. These fractions multiplied by the statutory $6.65 billion resulted in amounts which exceeded the $6.85 billion maximum general appropriation. The general appropriation for Entitlement Periods 9, 10 and 11 was therefore limited by statute to $6.85 billion. The fraction multiplied by the statutory $4.78 million of the noncontiguous amount resulted in an amount which exceeded the $4,923,759 maximum. The noncontiguous adjustment for Entitlement Periods Nine, Ten and Eleven was therefore limited by statue to $4,923,759.

** Payments to State governments are not authorized in Period 12. Payments for Entitlement Period 13 (October 1, 1981 - September 30, 1982) and Entitlement Period 14 (October 1, 1982 - September 30, 1983) to State governments are authorized if funds are appropriated. In addition, to be eligible a State must decline to receive, or must have refunded to the United States Government from categorical grant funds, an amount equal to its general revenue sharing allocation.

The Amendments of 1980 do <u>not</u> change the formula provisions by which revenue sharing allocations are determined for county or municipal governments. Parish sheriffs in Louisiana, however, will receive 13.5 percent of the amount that otherwise would have been paid to the parish, except that the Sheriff of the Parish of East Baton Rouge will receive 6.75 percent of the amount that would otherwise have been paid to the governments of Baton Rouge, Baker and Zackary, Louisiana. These amounts will be deducted entirely from the amounts that otherwise would have been paid to the parish governments or the governments of Baton Rouge, Baker and Zackary, Louisiana.

GUIDE TO THE REPORT

Included in this Payment Book are six reports:

* Number of Eligible Governments

Revenue Sharing Disbursements

The body of this report contains a one-line entry for every recipient government eligible to receive general revenue sharing.

QUARTERLY PAYMENT

If the government is receiving a payment for this quarter, then the amount of that payment will be listed. If the government is not receiving its payment, or receiving only a portion of it, then the reason for nonpayment will be identified. The reasons for the nonpayment are:

WAIVED - The recipient government has instructed the Office of Revenue Sharing that it is waiving its entitlement to the next highest eligible unit of government within its State.

REPORT - The recipient government has failed to comply with the GRS reporting requirements by not filing a properly completed EP-12 Statement of Assurances or the Census Bureau's 1979 General Revenue Survey of Local Government Finances.

DUE TRUST FUND - Due to revisions in data elements the recipient government has received payments that exceed its entitlements to date and current payments are being used as a setoff to reduce the amount of indebtedness to the trust fund.

ORS HOLD/PARTIAL HOLD - The payment is not being made, in whole or in part, due to noncompliance or a revision in the account resulting from reorganizations (annexations, mergers, etc.) affecting the recipient government during this quarter.

NO PAY DUE - The recipient government was not allocated revenue sharing funds for the current entitlement period.

ALL PAYMENTS TO DATE

This amount reflects the total general revenue sharing funds paid to the recipient government from the inception of the GRS program through the current quarter. Governments that have received general revenue sharing payments previously, but are no longer eligible due to disincorporations, consolidations, annexations, mergers, etc. are not listed in this report.

NUMBER OF ELIGIBLE GOVERNMENTS

Eligible recipient governments are:

(1) The government of the District of Columbia;

(2) Units of local government such as counties, municipalities, and townships which are units of general government below the State (determined on the basis of the same principles as are used by the Bureau of the Census for general statistical purposes);

(3) The recognized governing bodies of Indian tribes and Alaskan Native villages which perform substantial governmental functions; and

(4) The offices of the separate law enforcement officer for any county area in the State of Louisiana.

The number of eligible recipient governments is detailed within each State by the type of government. The entry signified by an asterisk (*) in the county column is the total number of eligible separate law enforcement officers (sheriffs) in the State of Louisiana provided by the State and Local Fiscal Assistance Amendments of 1976 (P.L. 94-488) and 1980 (P.L. 96-604). The last column is the total number of eligible recipient governments in a State. The final line, NATIONAL TOTALS, reflects the column totals for each type of government.

April 7, 1981

This publication lists quarterly payments scheduled to be made on April 7, 1981, to local governments eligible for general revenue sharing funds. The column titled ALL PAYMENTS TO DATE includes all payments made prior to the "Preparation Date" indicated on the top of each page of the report and the quarterly payments that are listed in this publication. The names of government units are listed by State and within each State by county. Also included are several appendices which list the total number of governments paid and the corresponding disbursements by State.

The amounts reported here are payments scheduled for the second quarter (January 1, 1981 - March 31, 1981) of Entitlement Period 12 which began October 1, 1980, and ends September 30, 1981. Period 12 is the first period in the general revenue sharing program authorized by the 1980 Amendments to the State and Local Fiscal Assistance Act of 1972. These Amendments (P.L. 96-604) extended general revenue sharing from October 1, 1980 through September 30, 1983, at approximately the same level of funding for local governments as had been available under the 1976 Amendments to the original Act (P.L. 92-512). Payments to State governments are not authorized during Entitlement Period 12 but may be authorized in Periods 13 and 14 under certain conditions.

The Office of Revenue Sharing is anxious to provide all available information about the General Revenue Sharing Program to any interested party. If we may be of assistance to you, please let us know.

REVENUE SHARING ALLOCATIONS

Title I of the State and Local Fiscal Assistance Act of 1972 (General Revenue Sharing Act) and the 1976 amendments (P.L.94-488) provided for the distribution of approximately $55.8 billion to more than 39,000 units of State and local government, over a period of eight years and nine months. The Amendments of 1980 (P.L. 96-604) to the State and Local Fiscal Assistance Act provide for the distribution of approximately $13.7 billion to units of local government over a three year period beginning October 1980. Payments to State governments are not authorized during Period 12, but may be authorized in Periods 13 and 14 under certain conditions. The amounts to be distributed to each unit of government are determined by applying a set of formulas to descriptive data pertaining to each unit. The formulas and data are used to determine each government's share of the total amount. Because of the relative nature of the allocation process, it is possible that in some cases a change in a single data element could change a large number of governments' shares by varying amounts.

The payments to eligible units of government are made quarterly, based upon each unit's allocation for an entitlement period. The entitlement periods and the general amounts appropriated are as follows:

Entitlement Period	Start	End	Duration	Amount
1-7	Jan. 72	Dec. 76	5 Years	$30,212,500,000
8	Jan. 77	Sept 77	9 Months	$ 4,987,500,000*
9	Oct. 77	Sept 78	1 Year	$ 6,850,000,000*
10	Oct. 78	Sept 79	1 Year	$ 6,850,000,000*
11	Oct. 79	Sept 80	1 Year	$ 6,850,000,000*
12	Oct. 80	Sept 81	1 Year	$ 4,566,700,000**

Under the State and Local Fiscal Assistance Act of 1972 as amended by Public Law 94-488 of 1976, additional funds were appropriated during entitlement periods one through eleven for noncontiguous States. These funds were distributed to the extent required by the legislation with any unused funds being returned from the Trust Fund to the General Fund of the Treasury. The Amendments of 1980 to the State and Local Fiscal Assistance Act of 1972 deleted these additional funds for the noncontiguous States.

* Beginning with Entitlement Period Eight, the amounts to be distributed were equal to $6.65 billion for the general appropriation and $4.78 million for the noncontiguous States adjustment amount multiplied by a fraction, the numerator of which is the amount of Federal individual income taxes collected in the last calendar year ending more than one year before the end of the entitlement period, and the denominator of which is the amount of Federal individual income taxes collected in the calendar year 1975. The resulting general appropriation was not to exceed $6.85 billion and the noncontiguous States adjustment appropriation was not to exceed $4,923,759, on an annualized basis. The fraction for Entitlement Period Eight was 1.0 yielding the general amount of $6.65 billion and the noncontiguous States adjustment of $4.78 million on an annualized basis or $4,987,500,000 and $3,585 million respectively, for the nine month term of Entitlement Period Eight.

For the ninth, tenth and eleventh periods, 1976, 1977 and 1978, Federal individual income taxes divided by 1975 income taxes produced fractions of 1.17, 1.33 and 1.55 respectively. These fractions multiplied by the statutory $6.65 billion resulted in amounts which exceeded the $6.85 billion maximum general appropriation. The general appropriation for Entitlement Periods 9, 10 and 11 was therefore limited by statute to $6.85 billion. The fraction multiplied by the statutory $4.78 million of the noncontiguous amount resulted in an amount which exceeded the $4,923,759 maximum. The noncontiguous adjustment for Entitlement Periods Nine, Ten and Eleven was therefore limited by statue to $4,923,759.

** Payments to State governments are not authorized in Period 12. Payments for Entitlement Period 13 (October 1, 1981 - September 30, 1982) and Entitlement Period 14 (October 1, 1982 - September 30, 1983) to State governments are authorized if funds are appropriated. In addition, to be eligible a State must decline to receive, or must have refunded to the United States Government from categorical grant funds, an amount equal to its general revenue sharing allocations.

The Amendments of 1980 do not change the formula provisions by which revenue sharing allocations are determined for county or municipal governments. Parish sheriffs in Louisiana, however, will receive 13.5 percent of the amount that otherwise would have been paid to the parish, except that the Sheriff of the Parish of East Baton

Rouge will receive 6.75 percent of the amount that would otherwise have been paid to the governments of Baton Rouge, Baker and Zachary, Louisiana. These amounts will be deducted entirely from the amounts that otherwise would have been paid to the parish governments or the governments of Baton Rouge, Baker and Zachary, Louisiana.

USERS GUIDE

Included in this Payment Book are five reports:

- Revenue Sharing Disbursements
- Number of Eligible Governments
- Number of Recipients Paid this Quarter
- Distribution of Quarterly Pay
- Distribution of Funds Paid to Date

REVENUE SHARING DISBURSEMENTS

This report provides a one-line entry for each active State and local government. Governments that have received general revenue sharing payments, but are no longer active due to disincorporation, consolidation, annexation, merger, etc., are not listed individually but are included in the summaries at the end of each State and in the national totals as "Inactive." Payment totals by county (or Louisiana parish) areas and payment/no payment summaries for each State area and nationally are provided.

*QUARTERLY PAYMENT - If the government is receiving a payment for this quarter, the amount is listed. If the government is not receiving a payment or receiving only a partial payment, the 'Reason for Funds Not Paid' is listed.

*REASONS FOR FUNDS NOT PAID - One of the following reasons is listed for each recipient government that is either not receiving a payment for this quarter or receiving only a partial payment:

NEW GOVERNMENT - The ORS has fully recognized a government as eligible, however, the process required for establishing the financial records with the ORS has not been finalized.

DISINCORPORATED - Governments no longer active due to disincorporation, consolidation, annexation, merger, etc. These governments do not appear in the detailed report of funds not paid. But are included in the State and national summaries.

WAIVED - The recipient government has instructed ORS to waive its entitlement to the next higher eligible unit of government within its State. If no higher level government is eligible, the funds are returned to the Reserve Fund for that State.

ACCOUNTING HOLD - The payment is being withheld due to court order, status changes (such as disincorporation, annexation etc.) in process, or revision in the account.

COMPLIANCE HOLD - The payment is being withheld due to noncompliance with GRS regulations.

NO PAY DUE - The recipient government either had no current period entitlement, or has already received the entire amount of its entitlements to date. If shown as 'NO PAY DUE*', a portion of the entitlement amount is being withheld (see PARTIAL HOLD below.)

DUE TRUST FUND - Due to revisions in data elements, the recipient government has received payments that exceed the entitlement to date. To avoid increasing the amount of indebtedness to the trust fund, the government is not scheduled to receive any further payments for the entitlement period.

REPORTS DELINQUENT - The recipient government has failed to comply with the GRS reporting requirements by not filing a properly completed EP-12 Statement of Assurances and/or the Census Bureau's 1979 General Revenue Survey of Local Government Finances.

NO ADDRESS - No address is available for forwarding the payment to the recipient government.

PARTIAL HOLD - If a portion of the entitlement for a government is being withheld (deferred) due to a court order, noncompliance, or revisions to the account, the government will appear in the detailed report with an asterisk (*) in the 'Quarterly Payment' column. The amount being withheld due to a partial hold is not shown for the individual governments but is reflected in the State and national summaries of funds not paid.

*ALL PAYMENTS TO DATE - This amount reflects the total GRS funds paid to the recipient government from the beginning of the GRS program through the current quarterly payment, as of the 'Preparation Date' of this publication.

TOTALS FOR ACTIVE GOVERNMENTS - These amounts reflect the State/national area quarterly and cumulative payment totals for all recipient governments which are listed in this publication.

TOTALS FOR INACTIVE GOVERNMENTS - These amounts reflect the State/national area totals of all payments made to recipient governments that are no longer active due to disincorporation, annexation, merger, etc.

NUMBER OF ELIGIBLE GOVERNMENTS

A count of eligible recipient governments is provided within each State by the type of government. The last column reflects the total number of eligible recipient governments in a State. The final line, NATIONAL TOTALS, displays the national totals for each type of government. Eligible recipient governments are:

- the government of the District of Columbia;
- the units of local government such as counties, municipalities, and townships which are units of general government below the State (determined on the basis of the same principles as are used by The Bureau of the Census for general statistical purposes);
- the recognized governing bodies of Indian tribes and Alaskan Native villages which perform substantial governmental functions; and
- the offices of the separate law enforcement officer for any county area in the State of Louisiana.

NUMBER OF RECIPIENTS PAID THIS QUARTER

A count of recipients included in this quarterly payment is provided within each State by the type of government. The last column reflects the sum of all governments paid in the State. The final line, NATIONAL TOTALS, displays the national totals for each type of government and the total number of quarterly payments made.

DISTRIBUTION OF QUARTERLY PAY

The funds paid to recipients in this quarterly payment are summarized within each State by the type of government. The last column reflects the sum of quarterly payments made to

all governments within the State. The final line, NATIONAL TOTALS, displays the totals for each type of government and the total amount of the quarterly payment.

RECIPIENTS PAID TO DATE

The total of all GRS funds paid since the beginning of the program are listed by State and within each State further broken down by government type. The total payment to the State area is listed in the last column. The final line, NATIONAL TOTALS, displays funds paid to date, for each type of government and overall. This summary includes funds previously paid to governments now inactive due to disincorporation, annexation, etc., and State governments which are not eligible to receive EP 12 funds.

* NOTE: In exceptional situations, a change affecting the pay status or amount due a recipient, may be processed between the "Preparation Date" and the scheduled quarterly "Payment Date." (These dates are shown on the top of each page of this report.) If such changes modify the payment to a recipient, actual amounts may differ from the quarterly and cumulative payments listed in this report.
